HIGHLIGHTS

The International English Language Testing System (IELTS) measures the language proficiency of people who want to study or work where English is used as a language of communication. It uses a nine-band scale to clearly identify levels of proficiency, from non-user (band score 1) through to expert (band score 9). IELTS Preparation Course in LAAT through Atlas Group of Institutions (Silver registration partner with British Council, Dubai) aims to prepare students with the skills and strategies needed to pass the IELTS examination with a higher band score
